Thank you for supporting **SERIOUSLY GOOD TV!**

BE PART OF SOMETHING BIGGER

YOUR GIFT POWERS PROGRAMS, BUILDS COMMUNITY, EDUCATES KIDS,
AND ELIMINATES PLEDGE INTERRUPTIONS.

Dear Phil,

What if your gift today could do three things at once?

- 1. Shorten our March Pledge Drive** - Every \$10,000 raised now eliminates one full day of interruptions.
 - 2. Strengthen our local and state communities** - Not only does your donation support PBS Kansas programming, it helps us build community events for viewers, and develop STEAM-based learning opportunities for visiting children.
- Unlock exclusive experiences for you** - Behind the scenes access, an accessible streaming library of local programs, and recognition as a PBS Kansas stakeholder.

You're not just supporting programs. You're investing in your community.

When you give to PBS Kansas before our March pledge drive begins, you become part of something larger than television. You're powering:

PROGRAMS YOU LOVE

Masterpiece, Nature, Frontline, All Creatures Great and Small, and award-winning local documentaries like *Kansas Ghost Towns, Great Women of Kansas, and Grains of Glory*

EDUCATION THAT CHANGES LIVES

Our Education Center where Kansas students engage in STEAM learning, media literacy, and hands-on exploration

COMMUNITY ACCESS

Member-exclusive preview screenings, local program premieres, and special events throughout the year

A SHORTER PLEDGE DRIVE

Your early gift means fewer interruptions to the programs you count on

GRAINS OF GLORY

THE KANSAS MENNONITE STORY

THE CHALLENGE WE'RE FACING

Last year, the community really brought meaning to Defunded, but not Defeated. In doing so, PBS Kansas was able to successfully carry an entire year of programs, community events, and educational opportunities on your support. However, with a new year comes new challenges and we ask that you continue your ongoing support in that spirit.

WAYS YOUR GIFT CREATES IMPACT

LOCAL STORYTELLING

Your investment powers original Kansas programming and documentaries that preserve our state's history and celebrate its people. We strive to bring you feel good storytelling with *Postively Kansas*, and *Hatteberg's People*. Keep you updated with local topics through *Kansas Week* and *One on One with Victor Hogstrom*. We provide learning at all ages with *Empowering Seniors* and *Melvin Mania*. We showcase local communities and businesses with *See, Taste, Do*. We highlight the history of Kansas through documentaries like *Grains of Glory* and *Great Women of Kansas*. All these in addition to the national programming you've spent a lifetime watching and learning from.

COMMUNITY BUILDING

Your membership is your ticket to exclusive events and community-related activities. Join the BritClub and share your love of all things British at our annual High Tea event. Participate in your own Antiques Roadshow by bringing in your favorite antiques for appraisal at our annual Antiques Fair. Enjoy learning how to enjoy your free time with the annual Senior Expo. PBS Kansas gives you the opportunity to learn, network, and become a more involved part of the community directly through your support and gifts.

YOU'RE THE REASON WE CAN DO THIS

Every \$10,000 we raise before the drive begins eliminates one full day.
If we raise \$50,000 in early gifts, we cut the drive from 24 days to 19 days.
If we raise \$100,000, we're down to 14 days.
And if we reach \$240,000? The drive could be pledge-free entirely.

Goal: Shortest pledge drive in PBS Kansas history

THE BOTTOM LINE

Without viewer support, none of this exists. Not Postively Kansas. Not PBS NewsHour. Not the Education Center visits or the local documentaries that tell Kansas stories. You are the single reason PBS KANSAS exists.

Other media companies answer to advertisers and shareholders. We answer to you. That's what makes public television different. That's what makes your investment so powerful. Be part of the story - help our state give the best in public television through your support today.
